DURBANVILLE BAPTIST CHURCH

Our Three Asks

- Take the Next Step
- Join a Team
- Invite a Friend

We have three main asks that we make of people attending DBC. The first is to **TAKE THE NEXT STEP**. This is so important. You cannot stay where you are. We want you to take the next step of becoming a member, joining a Life Group, getting involved in a ministry team, being baptized, giving regularly to the work and ministry of DBC, doing regular quiet times, attend weekly services and events, etc. There are many steps, but it starts with you asking, what is my next step? We want you to grow in your faith. So, take the next step in connecting with God and others. It is vital to your spiritual health.

Secondly, we invite you to **JOIN A TEAM**. Sometimes it is possible to look at a Church

like DBC and think there are no gaps, all the ministry spots are full. But this is simply not true and there is always opportunity. It takes many and various teams for ministry to move forward at DBC.

Look through this brochure then connect with the relevant person and get involved. Or simply contact the office and we will help you.

Thirdly, we ask that you **INVITE A FRIEND**. This is important. We all have people we are praying for so take a relational risk and invite them to a Church event, service, etc. You take responsibility for them and help them connect with others as quickly as possible. Then anticipate, in faith, what God will do.

Celebrating Volunteers

It takes many awesome people, operating in their gifts and passion, to see a Church reach its full potential. To see a Church, thrive! DBC has many people involved in ministry. We celebrate this and thank God for the uniqueness you bring to this Church. We love the fact that you are involved and serving. We believe this is not only essential but also a command. Jesus said, 'No servant is greater than his master.' He is our Master and He served. So, we serve. Simple!

So, thank you for serving. We celebrate you and the role you play. Thank you for being part of what God is doing here. We deeply appreciate it and we know that God is glorified, and the Church built up as a result.

If you are still on the sidelines take the opportunity to read through this brochure and then ask questions about how you can get involved. It is only when all the pieces of the puzzle are fitted together that we see the whole picture.

Internship

Keith Westberg (073 259 8435)

We have a year long internship. If you fit into one of the following three categories, please start speaking to us:

- You have just finished Seminary or University and you would like to spend some time 'learning the ropes' at DBC.
- You are older, and you would like intern (work) at the Church in a part-time capacity.
- You are just leaving school and you are not quite sure what to do with yourself, but you have time and you would like to use it at the Church.

The Ministry of Giving

Giving to the local church isn't merely one good option among many. It's an imperative for every Christian. It is ministry. And it is a ministry that facilitates life change. Take the next step and join us in the joy of giving to the ministry of DBC.
