Sinekamva QualiEdu Pre-School was opened in April 2021, for children between 3-6 years old. It is a Christian Pre-School but inclusive to all that want to attend. Presently Sinekamva, situated in Wallacedene, works with 90 children and their families

The name Sinekamva means "We have a future" as their vision and focus is on children and youth development, giving hope to their small children. They believe that with good quality education and guidance in a loving and safe space, their future will be bright. They also believe in the regeneration of moral values and introducing Christ as the ultimate solution to the challenges Wallacedene, Cape town, is facing.
